What are the primary objective(s) or goals of this program? Please distinguish between the long-term mission of the program and the current annual objectives of the program. (The goals or objectives should be in terms that can be quantified, evaluated and assessed.) (MAX 3500 characters)

The goals and objectives of this program is to provide a free and appropriate public education for preschool children with disabilities. Consistent implementation of thie Individualized Education Program for these students, using evidence-based practices, will ensure FAPE.

In the prior fiscal year, what primary program activities or processes were conducted to facilitate the program's performance in reaching the objective(s) as provided in question 7? What, if any, change in processes or activities are planned for the current fiscal year? (Examples of program processes would be: training provided, recruiting efforts made, technical assistance services, monitoring services, etc. Answers should be specific to the process undertaken at the state level to support the objectives of the program and should be quantifiable Please include any professional development services provided.)(MAX: 5000 characters)

EIA dollars are allocated to the districts based on their reported numbers of children. For the preschool program, data is collected from the fiscal year from the fiscal year 135-day report and appropriate weightings are applied to each disability category. Allocations are then provided based on the number of children reported.

Quantitative information is collected through the required data collection methods approved by the Office of Special Education Programs in Washington, DC. As a required activity of the Individuals with Disabilities Education Improvement Act and the South Carolina State Performance Plan, baseline data is measured by progress or slippage. Additionally, districts are conducting self-assessments to monitor and improve performance in administering FAPE.

In the prior fiscal year and using the most recent data available, what were the direct products and services (outputs) delivered by this program? (Examples of program outputs would be: number of teachers attending professional development seminars, number of AP exams given and students taking AP classes, number of students served in the program, etc.)(MAX: 5000 characters)

For the preschool children with disabilities program, \$3,973,584 was expended. This amount was allocated directly to districts and other entities.

What are the outcomes or results of this program? (Program outcomes can be both quantitative and qualitative and should address the program's objectives. Please use the most recent data available. Examples of outcomes would be: results of surveys, test data, increase in minority participation, reduction in achievement gaps, teacher loans awarded, textbooks purchased, etc.)(MAX: 5000 characters)

EIA funds ensure that districts provide a free and appropriate education for preschool children with disabilities. This includes providing adequate resources, materials, assessments, supplies, etc. that are essential for instructional delivery and monitoring. As a result of consistent monitoring and program administration, there were no incidences of noncompliance or non-delivery of free and appropriate education (FAPE) for preschool children with disabilities. Additionally, no complaints, mediations, or due process hearings were addressed or conducted on behalf of disputes arising from this populations of students.
